SOAR COURSE REVIEW

THE SOAR COURSE SERIES is personally conducted by by Master Clairvoyant, Dr. Christian Toren von Lähr, Msc.D.. Christian TOREN is notable as one of the only two Master Clairvoyants in the world. Although he has worked in over 25 countries, his current focus is in America.

Called affectionately “the Hardest Working Psychic in America,” he is particularly notable for his astonishing accurate ability to see and diagnose health conditions in the body.

Dr. Christian Toren von Lähr, Msc.D. has been lecturing and demonstrating life on the other side and beyond VISIBLY, for years. He is a Master Clairvoyant, and as such, has been the only one in America who has been able to accomplish this routinely, with uninitiated public attendance, and with the proper knowledge and wisdom that removes a person’s mental blocks to seeing things fantastical.

Christian Toren is the academic expert in the psychic field on the Nature of Existence and the ways and means of the Planes of Existence. He is the authority that has demonstrated [VISUALLY] life in other realms across the country for the last two decades. Proficient in the Ancient Wisdom, he is versed in all the aspects of the esoteric – spiritual puzzle.

The SOAR Master Clairvoyance Development course is produced at three (3) successive levels; the full gamut of psychic development will be conducted – from intuition, telepathy and basic psychism, all the way up to Master Clairvoyance. Included is the ability to see one’s true destiny, to find one’s actual Soul Mate, and to ascertain anyone’s true health condition, as well as the solutions required for perfect health.

It is conveyed with considerable hands-on experience, and monitored with the mentoring of America’s Master Clairvoyant, Christian Toren. The goal is to make you a true professional, practicing Psychic, Medium or Clairvoyant, or to use psychic control to manage your life wondrously.

SOAR BROCHURE

THIS IS A RARE ONCE-IN-A-LIFETIME OPPORTUNITY

\

Each level is carefully designed to create a foundation for the subsequent levels, three in total, approximately 3-months apart. Each one-day class comprises a fully-functional level of development resulting in a professional standard of operation. There is a month of active homework after each training day.

You will be performing REAL work, with REAL results – this is not entertainment-class psychism, but the genuine ability to ascertain situations, acknowledge life in other realms, determine answers to all problems, and to get people on their destined Path. The skill level attained will place you at the top tier in the psychic world, if you complete all three levels. You will be the best – the very best.

The only premise* for taking this series, beyond communicative literacy, is that you understand that THERE IS NO SUCH THING AS IMPOSSIBLE. If you are going to do this, DECIDE NOW, use your INSTANT intuition as your guide.

This course is NOT intended to turn you into a commonplace intuitive Tarot reader, or other entertainment psychic – this is the REAL DEAL, and you WILL develop REAL SKILLS. (Skills are a repeatable, proven, ability). In general, you will have no peers that can match your proficiency. If you want to learn this field, there has never been a better single opportunity than through this SOAR Master Clairvoyance Development course with world renown expert Dr. Christian Toren von Lähr. THIS IS A LIMITED OPPORTUNITY.

SOAR BROCHURE

DECIDE NOW

You bring the commitment; Christian will bring OUT the talent. It is there, it HAS to be there – no human can physically exist today if they had not (very) long ago mastered psychic talents – we evolved in the Astral PSYCHIC world first. However, reviving the old “Skeels” is going to take some professional guidance.

REAL WORK | REAL PSYCHICS

Train to be a genuine professional. No guessing, no gimmicks, no tools or devices. You will learn to instantly use all-natural gifts; which Christian will bring out in you. Intense work builds success.

Christian Toren has a background as both a professional teacher, and a professional Mentor.

The block to psychic ability is intended ...UNTIL, one wants to go beyond the protective limits of Physical world reality, and back to a more natural experience of awareness, without limitations. Christian Toren knows exactly what it takes to remove that block that was instilled into everyone, so they could live in a box.

After completing the Master Clairvoyance Development course, YOU WILL BE ABLE TO ACCOMPLISH ANY BASE PROTOCOL IN PSYCHISM – and will be able to function as a professional. You CAN go into business, and you CAN charge a premium rate. You can potentially achieve success on par with almost any other field.

SOAR BROCHURE

LEVEL 1 (PSYCHISM)

TAKE LEVEL 1 to create an actual psychic skill set – a basis that sets the stage for amazing abilities to follow.

Even at the completion of LEVEL 1 alone, you will be able to go head-to-head and best contemporary psychics. You will be tested repeatedly in various ways, and for all techniques and protocols, to ensure complete confidence and proficiency – even after you leave the event.

Christian Toren trains you to go out and WORK. He was a professional trainer in his business past and knows how to conduct you onto a bullet-train of psychic development to your final destination.

You follow your LEVEL-1 course with a month of field-work, FOR REAL. You will try out your skill set repeatedly with the same excellent results. Then you will bring that skill set and experience to LEVEL-2 where you will develop, learn and experience the true clairvoyant “realm of existence” – where the real magic occurs, where magic is simply knowledge, and where the impossible is how you start your day.

REAL EXPERIENCE...

Everybody is ON-STAGE, all the time. Your confidence level will soar, when you experience yourself performing like a professional, working with other professionals, and being evaluated by professionals.

MODALITIES

Many forms of psychism will be experienced. These include psychometry, intuition, telepathy and the general perceptions of psychism. There are

SOAR BROCHURE

considerable “systems” that can be inferred since there are “laws” which govern the other realms. You will be provided numerous charts and diagrams, and working tools, methodologies – and a skill set that is instantly repeatable. You are **READY TO GO** the moment you are required to go into psychic mode.

WHAT YOU WILL LEARN

- **FOUNDATION**
- **PSYCHOMETRY** – interactive training
- **SENSITIVE** – interactive training, Sensing Chart
- **INTUITION** – interactive training and testing, Intuition Chart
- **CLAIRSENTIENCE** – interactive training, Clairsentience Chart
- **PSYCHIC** (via modalities) – intensive interactive training and testing
- **CLAIRAUDIENCE** – interactive training and testing
- **TELEPATHY** – animal, Nature People, Angel training and testing

SOAR BROCHURE

LEVEL 2 (MEDIUMSHIP)

TAKE LEVEL 2 to become expert. Level 2 is beyond what 90% of people experience from psychics. [THIS] is why they really come to a psychic counselor - WISDOM. Instead of entertaining them, HELP THEM. At this level you become MASTERFUL!

You will know with certainty that you are a truly gifted Clairvoyant, Healer, Medium, and Channel. There are actual truths and facts in this art – and you will learn them all.

You will genuinely SEE life into other realms, you WILL do so right in class. You will learn to WORK with these other realms for the benefits they can provide. You will learn HOW to communicate and interact – these realms are DIFFERENT than our own, and so require some very specific training to understand communication from a 14- dimensional Astral world, and the 256- dimensional Heavenly world.

MEDIUMSHIP

Connect “HIGH” – the Higher Self, Ascended Masters and even Archangels. Then come down to the Astral and get messages from the Other Side to provide guidance.

WHAT YOU WILL LEARN

NOTE: This is an intensive course. Level 1 IS a prerequisite.

- **FOUNDATION**
- **CLAIRVOYANCE (internal)** – interactive training and testing, Inference Chart

NOTE: You WILL also learn how to [SEE] your own Higher Self, and your own seeding Archangel, as well as your Master Guide.

SOAR BROCHURE

NOTE: Although you will learn the basic level of internal visualization with Clairvoyance, you WILL receive your first introduction to seeing life in the other realms with your EYES OPEN. When you achieve Master Clairvoyance in Level-3, it will be ALL eyes-open.

NOTE: Your clairvoyance will be authenticated by Christian Toren, and also your classmates. Your demonstrative skills will ensure repeatability and instill confidence.

- **HEALER (intuitive) – training, Healing Method Chart**

NOTE: Actual Healing is a responsibility, and so, a choice. You will be taught how it works, and how you [can] perform this service, but you will not be tested.

- **MEDIUM – intensive interactive training and testing, Placement Chart**
- **CHANNEL – Channeling exercises**

SOAR BROCHURE

LEVEL 3 (CLAIRVOYANCE)

TAKE LEVEL 3 – IT IS WORLD-CLASS. Level 3 is about performing extraordinary work at intensities VERY FEW people are ever even aware of – but this is the level that actually substantiates Psychism as a viable art. This is TRUE “EYES-OPEN CLAIRVOYANCE”.

CLAIRVOYANCE

Vastly more information comes through than the typical 3-dimensional brain can process – you need to raise your vibration to match the other Planes of Existence. And when you do, you get more information, more nuance, more foundation and even more substance than you can now imagine.

Working the “Right” (a spiritual term) way is what psychism IS SUPPOSED TO BE. All you need is training and integrity, and only Dr. Christian Toren von Lähr can deliver this vast program so quickly. You will DEFINITELY want to go through this track, after you complete Level 1 IT’S ALL ABOUT EXPERIENCE – but with a twist. In our SOAR Master Clairvoyant Development Course, YOU WILL EXPERIENCE REAL ARCHANGELS, Angels, Guardian Angels, Ascended Masters, deific figures – to the point where you can both SEE them, and CHANNEL them (“channeling” refers to HIGH CONNECTIVITY in the Heavenly realm, not merely “connections” with the other-side).

Once you see true ascended life, then you will have no difficulty in the future recognizing them and working with them when they come in for your clients. But you HAVE to have that first experience – you are going to love our SOAR Master Clairvoyance Development Course.

It is at this level that Psychism existed in the old world, the one where there was NO SCIENCE, NO MEDICINE, there was only [YOU], and you could solve all problems. Even Kings and Sultans, Queens and Rajas would consult with the true psychic, who back then, was also a Seer, Medium and Clairvoyant. Lives depended on your

SOAR BROCHURE

ability, your insight, your accuracy. THAT is where we are going with Level 3 of the SOAR Master Clairvoyance Development Course.

This is true eyes-open Clairvoyance, positive knowledge, absolute wisdom. The entire nature of existence will be at your disposal. You will be able to see across time itself. You WILL be able to positively know one's destiny. You can find true and actual Soul Mate parameters for anyone – the Who, When, Where, Why and even HOW.

Connect through one person to another and solve a parent's problems with their children, or a person's issues with their partner. Access [time] itself to see the progress of events – to even accurately deduce timing. Answer any reasonable question, solve any definable problem, DO THE IMPOSSIBLE – always!

Clairvoyant Medical Intuition

You can diagnose health conditions because you will be able to [SEE] Clairvoyantly with eyes-open into the human body. You WILL be able to bring about spiritual healing because you will learn the immutable laws, facts and techniques required to function in multiple Planes of Existence.

DESTINY

Visually see anyone's true Path, this is the destiny for all existence. Similarly, the particulars of one's Soul Mate are visual – another destiny that can be seen and explained.

WHAT YOU WILL LEARN

FOUNDATION

A good indicator that you are a qualified candidate for this course LEVEL-3 is if you have EVER had a dream (it only takes one) where you have the sense of either "free-falling," or of "flying" (like Superman does.)

SOAR BROCHURE

TRANSMIGRATION (of sight) – go into objects.

This is an in-depth training; it is the cornerstone of true Master Clairvoyance. Fully realized, this is what will separate the wheat from the chaff. Mastering these techniques are what will guarantee your success as a Master Clairvoyant. This secret transmigration technique WILL be new for everyone – so no prior experience is expected.

This newly developed technique WILL HELP YOU SUBSTANTIALLY in the areas that follow.

MEDICAL INTUITIVE (Eyes Open)

Conditions and location testing. This is REAL SIGHT, not psychic impressions or intuition. There is an ingenious technique developed by Dr. Christian Toren von Lähr that allows him to instantly ascertain the location of illnesses, regardless whether they are in the past, present and the future. He will share this marvelous method that leads to a total assessment of the client.

SEER

See past/present/future, exercises and testing. Seership requires a prior life-times period of actual experience, brought forth into the presence. It will, however, be defined and demonstrated – those that exhibit an ability will be used for demonstrations. You can, nonetheless, use this technique for Crystal Ball reading, and Scrying.

A basic ability to see, in general, the “big picture” in every-day life could be a good indicator that you can also do this from a psychic perspective. Even beginners can realize a degree of success with this training.

If you were using an Excel Spreadsheet, going to a specific Row and Column is a normal human ability. A Psychic can randomly pick up cells. A Clairvoyant can see an association of cells. A Seer, however, can [SEE] the entire Spreadsheet. Master Clairvoyance takes this one GIANT step further, to provide ACCESS to the entire Spreadsheet.

CLAIRCOGNIZANT

“downloading” Discussion and training. Not all people are able to develop Claircognizance, it is a very high form of “all knowing.” It will, however, be demonstrated, discussed and explored with those that have this innate ability, earned over the ages. Christian Toren will determine if you have either the natural ability of Claircognizance, or the potential to express it in this lifetime.

A good indicator of your potential is if you have EVER heard a high-pitched whine in your ears or head, that lasted for 5 – 15 seconds. You ALSO will have already had psychic experiences, ringing and buzzing in your ears in the past, and will have seen or detected motion to the right or left of you that could not be associated with people around you in the present.

SPIRITUAL HEALER – Ascertain the complete medical circumstances of a client.

NOTE: Diagnostic ability and potential.

NOTE: See the hierarchy that will allow you to determine the “causes”, not merely the “symptoms” of unwellness.

STAR SEED – There ARE Star Seeds in the world.

Perhaps you are one. Regardless, you will encounter one or more in your lifetime. These people are different, and you WILL be called upon to help them understand their purpose in being here. You must learn how to recognize them – a process that will AMAZE you – define them to the point they themselves understand their purpose, then help them on their way.

MASTER CLAIRVOYANCE – Intensive exercises and testing. Charts provided.

SOAR BROCHURE

- NOTE: Your potential is to see anything, anywhere, anyhow.
- Transcend time and distance.
- KNOW the truth, know when there is an untruth.
- See macrocosmically across the Universe, or microcosmically into the cells of one's blood stream.
- Know the Past, the Present and the Future.
- Answer ANY reasonable question with confidence.
- Be RIGHT, even when the client thinks you are wrong – the truth will reveal itself.
- Understand the [programming] that has affected any individual client, creating their limits, understanding, and circumstance in life – learn to alter these.

Determine a person's [actual] Path, which transcends all of time. All lives MUST be associated. This determination opens up a kind of "guarantee" from the Highest Spiritual realms that the client HAS the support of the Divine Law and its attentive processes, if they [want] it. This applies to you, as well.

You WILL have success and happiness, fulfillment, completeness, longevity, love and more – IF you want it. You will now be an Agency of the Divine, so you become a "select" individual of a status and potential whereby the [Universe] considers it in everyone's/everything's best interest to ensure your success.

You will have the ability to see one's Soul Mate destiny – who, when, where, why and how.

SOAR BROCHURE

CERTIFICATION

If you've completed the three levels of the SOAR Master Clairvoyance Development Course YOU WILL BE CERTIFIED and credentialed by Christian Toren, Inc..

REQUIREMENTS:

- You must have fluency and literacy in English and be comfortable and functional working with groups and being called upon to demonstrate what you have learned.
- You should have had [some] repeated experience either sensing, seeing or hearing beyond normal reality – you do NOT have to have understood words, or seen actual people or visions.
- If you have had ringing or buzzing in your ears, or perceived invisible movement to the right or left of you 3 or more times, you are a candidate.
- If you draw butterflies or dragonflies to you, you are a candidate.
- A good indicator of your potential is if you have EVER heard a high-pitched whine in your ears or head, that lasted for 5 – 15 seconds. You ALSO will have already had psychic experiences, ringing and buzzing in your ears in the past, and will have seen or detected motion to the right or left of you that could not be associated with people around you in the present.
- Empathy is NOT a good sole-indicator, for this level of class it could indicate you are NOT able to “filter.”
- Prior working experience IS NOT a requirement. Actually, it may be a hindrance.
- Prior dependence on Tarot cards, pendulums and Crystal balls can be detrimental if you are not able to rise above these synchronistic modalities. We will be developing “real” abilities, not dependencies.
- Gypsy reading techniques are NOT a good prerequisite, as a user of these mental techniques is not going to be able to adapt to the rigors of true psychism. You must have the ability to achieve confidence.
