

COSMOGONY

AND THE STARSEEDS THAT PROTECT IT

A very special training workshop brought to you by Master Teacher
Dr. Christian Toren von Lahr, Msc.D., and Myst of the Oracle.

SCOPE

Explain the process of “**Creation**” itself - and both the world, and the Life that ensues everywhere. And further still, the seven realms of our true existence.

At some time in the resultant Physical Universe it becomes necessary for Life to protect itself. “**This is written.**”

Those challenged to execute this thankless fate are “**the Star Seeds.**”

OBJECTIVE

Understand how you as a StarSeed are different than all other humans. Your “**Source**” is somewhere else, quite literally.

This existence in your current form is Alien to you. However, you have before you a Path that exceeds all others – you just have to discover what it is.

DAY 1

COSMOGONY focus: Learn the ways and means of “Creation” itself. This manifested Universe came into being by a defined process, for an intended reason, in a particular way, for a specific reason. More importantly, it exists in seven (7) levels, NOT just the physical one you perceive. **This will be demonstrated**, and you will learn the necessity and use of these other realms. Examples, demonstrations and ancient wisdom will bring clarity as to where you exist, how you exist and why. Finally, there is a way to understand “**What is this all about?**” It will understand your importance and why you must go through existence the way you do. For some, it will become very clear that “We are NOT all alike.” Learn why your Path or Purpose is so extremely important to you.

DAY 2

STARSEED focus: Do you feel alien? There is an extremely important reason why you feel this way. There are also some others like you and you are all very similar. Let us show you the characteristics that prove you are different, and more importantly, that you do NOT actually come from this place – the Earth. You are actually alien [and you always have been.] Proof abounds in this class – we will even elevate your abilities such that YOU yourself can see the special “**Master Guides**” that Star Seeds have. That’s right, **you will see them in the class.** We will show you how to do an “E.T. Phone Home” and the rationale for your life will suddenly become clear.
